Superheist, Neverend

And the wheels revolved and the world evolved around us slipping through this chemistry, this apathy and "I can see the real truth up above it comes in waves" was in that note and all she wrote was

Chorus

"Save me from falling in this state I'm in Catch me, I swear it'll neverend" "Save me from falling in this state I'm in Catch me, I swear it'll neverend"

And then the tables turned and the fire still burns inside me flaming through your legacy, your eulogy and "I can see the real truth up above it comes in waves" was in that note and all she wrote was

Chorus x 2
