

Superheroes, Voice (On The Radio)

Look out the window now and I'll be by your side
I never knew how much you would care until I just went away
'Cause you could go and break my heart you go ahead and try
'Cause you are the only one I love

And on my radio I heard her voice
She was crying out my name

Look at the bedroomdoor and he'll be by your side
I think i want to be there too but it's getting pretty late
I try to keep on loving you, but that's just what it is
I just want to hug you one more time

'Cause on my radio I heard your voice
You were crying out my name
