

# Supernatural, Closer I Get To You

Baby, Baby, Baby, Baby!

CHORUS:

Closer I get to you,  
the more you make me see  
Closer that I get to you,  
it's gotta be only me  
All you have to do to prove  
she doesn't really care for you,  
the only one I really love  
the closer I get to you.

1) It started out the best of friends  
Nothing more and nothing less  
suddenly someone took my place.  
I search high and I search low  
even I find another love  
cause you are the only one,  
In my heart.

I don't really see a reason (haah)  
never did see a season (haah)  
How you get these things to me... (haaa...)

Baby, Baby, Baby, Baby!

CHORUS

2) Boy you know you're too damn good  
she don't treat you like she should,  
never believed you what you do  
Always be right there for you!  
Whenever it is you need a friend  
I'll be right there till the end.

I don't really see a reason (no I don't)  
never did see a season (no I don't, no, no, no)  
How you get these things to me...(baby, baby, baby, baby, baby)

CHORUS

Closer I get to you, it's gotta be only me.  
The closer I get to you, it's gotta be, got, gotta be me.  
Closer I get to you, it's gotta be only me.  
The closer I get to you, it's gotta be, got, gotta be me.

Baby, Baby, Baby, Baby!

CHORUS till the end...
