

# Supernatural, I Will Be Waiting

When darkness falls  
From golden skies  
And moments float  
Into the night

When hours last  
While others pass  
When sunlight warms  
Your broken heart

When happiness  
Is just a dream  
And all you've had  
Is gone

When darkness falls  
From golden skies  
When love is just  
Another try

I will be waiting  
I will be waiting  
I will be waiting  
I will be waiting  
I will be waiting  
I will be waiting

I'll be waiting for you  
I will be waiting

I'll be waiting  
I'll be waiting
