

Supertramp, Ain't Nobody But Me

Let me tell you a story that'll make a change,
Let me tell you when I'm way out of range;
It's about a man who's crueller than me,
So promise not to cause a scene,
Heaven help the one's you love,
There's no big need for stars above

Well, you can run, you, know he'll find you,
It don't matter now, just look behind you,
You had your warn, and you knew the score,
You got it wrong, and that means war;
So, why'd you have to treat me rough,
Your explanation's not enough.

-Ain't nobody but me,
Gonna lie for you, gonna die for you;
Ain't no fish in the sea,
Gonna sigh for you, gonna try for you,
Gonna lie for you, gonna die for you,
Wooh-

You see, I got a mental disposition,
Sometimes, I'm mean, sometimes I'm vicious;
I'm Dr. Jekyll, I'm Mr. Hyde,
So if you wanna stay alive,
Just give me all you've got to give,
And, then perhaps I'll let you live.

-Ain't nobody but me,
Gonna lie for you, gonna die for you,
Ain't no fish in the sea,
Gonna sigh for you, gonna try for you,
Gonna lie for you, gonna die for you;
Gonna sigh for you, gonna try for you,
Gonna lie for you, gonna die for you.-

(HUSH) Now baby, stop your crying,
(OH YES) I know that I've been lying,
(HUSH) Now baby, stop your crying
(OH YES) I know that I've been lying
(HUSH) Now baby, stop your crying
(OH YES) I know that I've been lying
(HUSH) Now baby, stop your crying
(OH YES) I know that I've been lying
AAAaaa
