

Supertramp, Crime Of The Century

Now they're planning the crime of the century
Well what will it be?
Read all about their schemes and adventuring
It's well worth a fee
So roll up and see
And they rape the universe
How they've gone from bad to worse
Who are these men of lust, greed, and glory?
Rip off the masks and let's see.
But that's no right - oh no, what's the story?
There's you and there's me
That can't be right
