

Supreme Beings Of Leisure, Touch Me

How could I forget the wonderful things that keep me amused?
How could forget to worship you each day,
I remember somewhere in my soul would come beside me
I forgotten somehow life got in the way

-(chorus)-Ohhhh angel, come to me. Yes angel, Set me free.
And touch me. TOUCH ME (touch me NOW)-(/chorus)-

Out of time, I'm still reeling
Lose my mind, I'm receiving
I'm still waiting(?)
I exist love (?), as you will,
I've forgotten just how life gets in the way

(Chorus)

How could I forget (2x)
How could I forget (2x)

I have been painted by a misty branch
Lost in my frame, it seems I always lurch

(Chorus)(2x)

TOUCH ME (repeated 2x)
