

# Sure Conviction, The Rock

(M.

Liffengren/P. Liffengren)

Standing near the waters' shore - I can see to the other side  
Waves are tossing back & forth - A rock's in the midst of the tide  
Standing strong all by itself - The rock's sticking out of the sea  
If I cross I can rest there - The rock will always protect me  
I get out - on the waters - My eyes are focused on the rock  
I look around - at the waves - I'm starting to sink, I need help  
Save me I'm drowning - I'm a sinking man  
Save me I'm dying - Someone take my hand  
Save me I'm drowning - I'm a sinking man  
I closed my eyes as I swam  
I prayed and hoped I wouldn't die  
A wave caught me and tossed me  
I knew this was the end of my life  
Oh I thought that I was dreaming  
Because when I opened my eyes  
I landed on the rock safely  
To my amazement and surprise  
Save me I was sinking - Save me I was dying  
Save me, Save me - The rock saved my life  
Save me I was sinking - Save me I was dying
