

Surf Mesa, Madison Beer, Carried Away

It's like all tis time
I've been waiting for you with my open eyes
Scanning the room for a piece of mine
You look so good in this light

It's liek suddenly all that's important's in front of me
Already know what we're gonna be
You look so good in tihis light

I love to love
I love al.l the ways i feel so much
I get carried away
I love to love
I love to love*
