

# Surfaces, I Can't Help But Feel

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

i can't help but feel, like time just isn't real  
i only know the space inside this room  
license to appeal, the dark end of your deal  
im stokin up the fire that i once knew

so if you see me, you know that i've been on my roll  
yeah i've been on my roll with you  
and if you need me, i'll show you how to break the mold  
it starts by letting go of you

i can't help but feel, like time just isn't real  
i only know the space inside this room  
license to appeal, the dark end of your deal  
im stokin up the fire that i once knew

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

movin on and i can't stop it  
bite my tongue but i can't stop it  
see the dawn so i can't stop it, no

movin on and i can't stop it  
bite my tongue but i can't stop it  
see the dawn so i can't stop it, no

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

i can't help but feel my groove  
i can't help but feel  
i can't help but feel my groove  
i can't help but feel

i can't but feel my groove  
i can't help but feel
