Survivor, The Moment Of Truth

When you're alone you ask yourself What are you searching for Deep in the night a dream is born One that you can't ignore If you think you tan find the passion And you're ready to take a chance If you really believe you can make it Then the power is in your own hands

*It's the moment of truth
You're giving it all
Standing alone, willing to fall
If you can do it
Get up and prove it
Get up and show them who you are
It's the moment of truth
It's all on the line
This is the place
This is the time
Waited forever, it's now or it's never
Nothing can stop you now*

Once in your life you make a choice Ready to risk it all Deep in your soul you hear a voice Answering to the call Though yea know that it won't be easy It's a promise you make for love For the people that keep believing And the one that you're thinking of
