

Susan Ashton, Can't Cry Hard Enough

I'm gonna live my life like every day's the last
Without a simple goodbye it all goes by so fast

And now that you're gone I can't cry hard enough
No I can't cry hard enough for you to hear me now

Gonna open my eyes and see for the first time
I've let go of you like a child letting go of his kite

There it goes up in the sky there it goes beyond the clouds
For no reason why
I can't cry hard enough no I can't cry hard enough
For you to hear me now

Gonna look back in vain and see you standing there
When all that remains is an empty chair

And now that you're gone...
There it goes up in the sky...
