

Susan Ashton, Think Of Me

Reaching for a tender touch across the night the two of us
Far apart but it takes more than miles to come between us
This love is strong that's why when you're gone
You'll never be lonely oh baby

Cause I'll be there when you close your eyes and I'll be holding you oh so tight
Like an angel beside you when you think of me think of me baby
It don't matter where you are I'll be loving you cross my heart
Darling don't you doubt it when you think of me think of me baby oh oh

Days are turning into weeks missing you so I can't sleep
Now we know why they say absence makes the heart grow fonder
But near or far wish on a star and you'll never be lonely oh baby

Cause I'll be there when you close your eyes...
Whoa think of me baby whoa think of me baby think of me baby
