

# Susan Enan, Bring On The Wonder

## Bring On The Wonder

I can't see the stars anymore living here  
Let's go to the hills where the outlines are clear  
Bring on the wonder, bring on the song  
I pushed you down deep in my soul for too long

I fell through the cracks at the end of our street  
Let's go to the beach, get the sand through our feet  
Bring on the wonder, bring on the song  
I pushed you down deep in my soul for too long  
Bring on the wonder, we got it all wrong  
We pushed you down deep in our souls for too long

I don't have the time for a drink from the cup  
Let's rest for a while 'til our souls catch us up  
Bring on the wonder, bring on the song  
I pushed you down deep in my soul for too long  
Bring on the wonder, we got it all wrong  
We pushed you down deep in our souls so hang on  
Bring on the wonder, bring on the song  
I pushed you down deep in my soul for too long.
