

# Susan Raye, Foolin' Around

I know that you've been foolin' round on me right from the start  
So I'll give back my ring and I'll take back my heart  
And when you're tired of foolin' round with 2-0-3  
Just come on home and fool around with me

I wasn't foolin' round the day I said I'd do  
But many a night I wished that I've been foolin' too  
I know it's foolish taking all this misery but when it's you a fool I'll always be  
Well I know that you've been foolin' round...

So honey fool around you'll know right where I'm at  
And don't worry if I'm lonesome cause I'm used to that  
And when you're tired of foolin' round with 2-0-3  
Just come on home and fool around with me  
Now I know that you've been foolin' round...  
Just come on home and fool around with me  
I said come on home and fool around with me
