

Susan Raye, Love's Gonna Live Here

Oh the sun's gonna shine in my life once more love's gonna live here again
Things are gonna be the way they were before love's gonna live here again
Love's gonna live here love's gonna live here love's gonna live here again
No more loneliness only happiness love's gonna live here again
[guitar - steel]
I hear bells a ringing I hear birds a singing love's gonna live here again
I hear bees a humming and I know the days're coming love's gonna live here again
Love's gonna live here...
Love's gonna live here again
