

# Susan Raye, Love Sure Feels Good In My Heart

Too many times I have seen you with nothing but love in your eyes  
Knowing the feeling you give me knowing but not knowing why  
Just being with you is heaven no words can describe how I feel  
Each time you tell me you love me I know that this feeling is real  
I get the feeling of roses and sunshine and a dew on the ground  
I get the feeling of warmth when I think of this new love I've found  
I get the feeling of pride when I'm with you and loneliness when we're apart  
I can't say enough for the way that I feel love sure feels good in my heart

Sometimes I may take for granted this love that I'm so thankful of  
But somehow you seem to get stronger showering me with your love  
No one can be quite this happy there's blue skies for me every day  
Cause your love just seems to make me wear a smile twenty-four hours a day  
I get the feeling of roses...  
I can't say enough for the way that I feel love sure feels good in my heart
