

Susan Raye, Pitty Pitty Pater

Oh the pitty pitty patter of a little bitty feet's
Gonna pitty pitty pater through our house
A gonna be a comin' in June gonna stop our honeymoon
Cause the pitty pitty patter of a little bitty feet's
Gonna pitty pitty pater through our house
Gonna be a thinkin' of another name yeah there's gonna be a great big change

Gonna be a lookin' for a bottle in the middle of the night
Lookin' for a chance to hold daddy tight
A washin' little diapers every day a big doctor bill I'm gonna have to pay pay pay
Oh the pitty pitty patter of a little bitty feet's
Gonna pitty pitty pater through our house
Gonna be a thinkin' of another name yeah there's gonna be a great big change
