

Susan Raye, Would You Settle For Roses

You'd like to give you fancy things like diamond rings
And a mansion on the hill with an ocean view
You'd give you all the world but it's not yours to give
All I really want is your heart and a love that's true
I'd just settle for roses and a cottage for two
I'd just settle for roses and my dream come true

We may have fortune and fame like all our friends
But I know you'll do all that you can do
Just promise me all of your love without an end
Cause my darling I want to spend my whole life with you
I'd just settle for roses...
Yes I will settle for roses and my dream come true
