

Susan Tedeschi, Found Someone New

(Susan Tedeschi)

Tired of being alone
Waiting on you to phone baby
It's four in the morning and I'm cold
There ain't no one to hold me

I know that's it's real
I found someone new
I know it's not right
But I can't give up this fight
'Cause I'm tired of being lonely
Think it's me that's been wrong

I know I love you today
Oh but I don't love you in that way
Trying to make a new start
'Cause your running with my heart

I know that it's real
I found someone new
I know it's not right
But I won't give up this fight
I know that it's true
I found someone new
I know it's not right
But I won't give up, I won't, I won't, I won't
I won't give up this fight

I know that it's true
I found someone new
And I'm tired of being lonely
Think it's me that's been wrong
Darling I'm the only one who's strong
I've been strong
