

# Susan Tedeschi, It's Up To You

(Written by James Lamond and Susan Tedeschi)

I'm gonna tell you just the way I feel  
No use in waiting around  
I've got this feeling that it might be real  
and that's just from the sound

Oh my heart when I heard you laugh  
and when I saw that smile  
You made me feel like I was alive again  
I hadn't felt that in a while

But I don't want to waste your time  
Cause if I'm not the right girl or  
it's not the right time for you  
Here's what I'm gonna do.  
I'll send this song out to you  
Oh' Then it's up to you

Now don't you worry that you'll break my heart  
Don't make no difference to me  
I've had it happen once or twice before  
Won't need no sympathy

I'll probably find something to keep my mind very occupied  
I think I'll read some book on my list  
or take a long walk outside  
But I don't want to waste your time  
Cause if I'm not the right girl or  
it's not the right time for you  
Here's what I'm gonna do,  
I'll send this song out to you  
Oh, Then it's up to you

oh, It's up to you baby, It's up to you baby  
oh, It's up to you baby, It's up to you baby

And while I don't want to waste your time  
I just ask that you maybe play it out in your mind  
And if your heart starts talking to you  
Just hear what it's saying cause  
It might be telling you what to do

oh, It's up to you baby. It's up to you baby  
oh, It's up to you baby, It's up to you baby
