

# Susan Tedeschi, Just Won't Burn

Oh, I'm feeling kind of lonely  
And I'm feeling kind of down  
Oh but I know I'm gonna be alright  
If these blues are hanging round  
Hanging round, Oh hanging round  
Hanging round, Oh if these blues are hanging round

Oh I'm feeling kind of tired  
And I don't know just what to do  
Oh but I know I'm gonna be alright  
If these blues will pull me through  
Pull me through, Oh pull me through  
Pull me through, oh they're gonna pull me through

I'm feeling all tore up  
Somehow I don't know which way to turn  
Oh but I'm gonna turn my head straight to these blues  
Cause these blues they just won't burn

Just won't burn, oh they just, they just won't burn  
Just won't burn, oh they just won't burn  
Just won't burn, Oh they just, they just won't burn
