

Susan Werner, After All Of This

i would like to think
there's something
after all of this
when life's final kiss
has faded
i will have waited to see
if there might be more
still another door to open
i'm hoping

and i can say that faith
is one thing
i could never risk
too much of a leap
too steep a fall
but after all of this
i just can't resist
wondering what's to come
and there may be nothing
but there must be something, something
I don't really know

but i would like to think
