Susanna Hoffs, Go

So, you think you've found the one And she knows just how you feel And you say that she's for real And she's fun.

Well, that's all well and good It's just the way it should be To understand to be understood Is to be free.

So, I think that you should go Go on ahead now Take her in your arms And be wed.

Go, go, go, go You restless soul, you're gonna find it Go, go, go, go You restless soul, you're gonna find it, yeah.

Life's a bowl of cherries You can have as many as you can carry And someone would say that life is like a cow But I don't know how (that applies).

But anyhow, here we are all on this planet Takin' everything for granted But I think you've caught onto somethin' Don't let go, no.

Go, go, go, go, go You restless soul, you're gonna find it, ohhh Go, go, go, go, go You restless soul, you're gonna find it.

Oh, yes you will You've found it Oh, yes you will You've found it.

Oh-oh.
