Susanna Hoffs, I'll Be Your Mirror

I'll be your mirror Reflect what you are In case you don't know I'll be the sun The wind and the rain The light on your door To show that you're home.

When you think the nights as in your mind Bent inside, you're twisted and unkind Let me stand to show that you are blind Please put down your hands, cause I see you.

I find it hard
To believe you don't know
The beauty you are
But if you don't
Let me be your eyes
A hand to your darkness
So you won't be afraid.

When you think the nights as in your mind Bent inside, you're twisted and unkind Let me stand to show that you are blind Please put down your hands, cause I see you.

I'll be your mirror I'll be your mirror I'll be your mirror.
