

# Susanna Hoffs, Snoops Theme

I'm gonna get you baby  
You're not a dummy, maybe  
I'll never let you go, now  
I'm gonna bring you down

Keep on running while you can  
Say goodbye to all your plans  
'Cause you know I always get my man

And when the morning comes around  
I'll be on top and you'll be down  
I like you better when I got you bound

I'm gonna get to you now  
I'll never let you know how  
I'm gonna get you baby  
I'm gonna bring you down
