Sunshine, go away today  
I don't feel much like dancin'  
Some man's gone, he's tried to run my life  
He don't know what he's askin'.

And he tells me I'd better get in line  
I can't hear what he's sayin'  
I grow up I'm gonna make it mine  
P's and q's I've been payin'.

How much does it cost, I'll buy it  
But time is all we've lost, I'll try it  
He can't even run his own mind  
I'll be damned if he runs mine.

Sunshine.

Sunshine, go away today  
I don't feel much like dancin'  
Some man's gone, he's tried to run my life  
He don't know what he's askin'.

It can start to make me wonder where  
The least of all I do or goin'

He says "in love and war all is fair"  
He's got cards he ain't showin'.

How much does it cost, I'll buy it  
But time is all we've lost, I'll try it  
He can't even run his own mind  
I'll be damned if he runs mine.

Sunshine.

Wow!

How much does it cost  
Time is all we've lost  
He can't even run his own mind  
I'll be damned if he runs mine.

Sunshine.

Sunshine, come on back another day  
I promise you I'll be singin'  
This whole world is gonna turn around  
Brand new bells will be ringin'.

No, future  
No, future  
No, future.
