

Susanna Hoffs, Those Days Are Over

Do you remember 1990?
I wouldn't blame you if you don't
You were crazy
Always fighting, always drinking alone
People wrote you off
I never wanted to
You really boke my heart
But then that's nothing new
That's all over now

You really won this time
Those days are over...

It's been a long time
It's good to see you, good to see you well
All the family, they're glad to see you
Glad to see you well
I won't ask you on this happy day
I won't ask you if you meant to hurt me
'Cause that's all over now

You really won this time
Those days are over...
