

Susie Suh, Light On My Shoulder

It's easier to fall and harder to stand
It's easier to cry and harder to laugh,
And I don't know how, I don't know why
But you're the light on my shoulder
When I'm tired

It's easier to run and harder to be still
It's easier to think and harder to feel,
And I don't know how, I don't know why
But you're the light on my shoulder
When I'm tired

It's easier to hide and harder to trust
It's easier to hate and harder to love
And I don't know how, I don't know anything
But you're the timbre in my voice
When I sing
