

Suzi Quatro, I've Never Been In Love

Oh no I can't sign my name
oh don't you know I just lost it
And this revelation it is hotter than a matchhead
And I'm ready to go ready
to fly away with you
Oh yeah
And I may lose everything
but I don't give a damn if I do
Because I've never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
I've never been in love like this before
Oh what did I miss before
Well this good luck is breaking out of bounds
And I just got to tell it tell it tell it
I'll scream and shout
Well you came like a hurricane
And sent me into the clouds
Oh yeah
And I haven't seen my feet for days
'Cos I'm miles above the ground
Because I've never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
I've never been in love like this before
Oh what did I miss before
Oooh Oooh Oooh Oooh
Well he says I need a doctor
'Cos I've been acting half crazed
I've been laughing so hard
They want to put me away
And I'm really going to take these chains off of my life
'Cos this lightning I know it will never strike twice
Because I've never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
Oooh Oooh Oooh never been in love
I've never been in love like this before
Oh what did I miss before
Never been in love Oooh Oooh Oooh Oooh
