

Suziquatro, Fantasy In Stereo

(Quatro/Andrews)

I was getting into double vision
I was nearly blinded by emotion
Took me by surprise
I lost control
Suddenly I felt my senses goin'
Fade away
Picture you
Picture me
Fantasy

Fantasy in stereo-o
Fantasy in stereo-o
Fantasy in stereo-o
Turning me over

I was getting pushed - so sentimental
I was riding high on innuendo
You were making eyes and takin' chances
We were making waves and new romances
Suddenly
Fade away
You and me
Fantasy

Fantasy in stereo-o
Fantasy in stereo-o
Fantasy in stereo-o
Turning me over

I was reaching out for something better
We were reaching out to touch each other
Standing close to me I felt you tremble
Wasn't it a dream
I let my heart go
Fade away
Picture you
Picture me
Fantasy

Fantasy in stereo-o
Fantasy in stereo-o
Fantasy in stereo-o
Turning me over
Fantasy in stereo-o
