

# Suziquatro, Get Back Mamma

(Quatro)

Get back, Mamma  
You've been holdin' me down too long  
You're always sayin' I can't make it alone  
Music taking up all of my day  
Make or break, but I'll do it my way  
Get back, Mamma  
You've been holdin' me down too long

Good-bye, Mamma  
I appreciate your lovin' care  
Packed my bags and I'm off to I don't know where  
You may be right and you may be wrong  
I'm still young and I'm going strong now  
Get back, Mamma  
You've been holding me down too long  
Get back, Mamma  
You've been holdin' me down too long  
You're always sayin' I can't make it alone  
You may be right and you may be wrong  
I'm still young and I'm going strong now  
Get back, Mamma  
You've been holding me down too long
