

Suziquatro, Get Back Mamma

(Quatro)

Get back, Mamma
You've been holdin' me down too long
You're always sayin' I can't make it alone
Music taking up all of my day
Make or break, but I'll do it my way
Get back, Mamma
You've been holdin' me down too long

Good-bye, Mamma
I appreciate your lovin' care
Packed my bags and I'm off to I don't know where
You may be right and you may be wrong
I'm still young and I'm going strong now
Get back, Mamma
You've been holding me down too long
Get back, Mamma
You've been holdin' me down too long
You're always sayin' I can't make it alone
You may be right and you may be wrong
I'm still young and I'm going strong now
Get back, Mamma
You've been holding me down too long
