

Suziquatro, Little Bitch Blue

(Quatro/Tuckey)

You never take me out to party
You're a little bitch blue
The man wrote his story
He never took account of you

You give a lot of hurtin'
Honey you're too bad
And the way that you're goin'
You ain't ever gonna last

Some think I'm crazy
Grew up too soon
Red hot lover
Sending all her money too too too
Little bitch bluebitch blue
Some think I'm crazy
Grew up too soon
Red hot lover
Sending all her money to to to
Little bitch bluebitch blue (Spoken: Hey little baby
Little bitch bluebitch blue
Quit drawing your claws
Bitch bluebitch blue Don't go messin' round with me honey
Bitch bluebitch blue You're a sweet little thing, but
Bitch bluebitch blue I eat little girls like you for breakfast)
Bitch bluebitch blue
Bitch bluebitch blue
Bitch bluebitch blue
Bitch bluebitch blue
Bitch bluebitch blue
