

# Suziquatro, Make Me Smile (Come Up And See Me)

(Harley)

Ooh la la ooh la la

You've done it all  
You've broken every code  
And pulled a rebel to the floor  
You've scored again  
No matter what you say  
Eroded metal - what a bore  
Oh blue eyes blue eyes  
How come you tell so many lies

Oh oh come up and see me  
Make me smile  
I'll do what you want  
Run on wild

There's nothing left  
I've gone and run away  
Maybe you'll tarry for a while  
It's just a test  
A game for us to play  
Win or lose it's hard to smile  
Resist resist  
It's from yourself you have to hide

Oh oh come up and see me  
Make me smile  
I'll do what you want  
Run on wild

There ain't no more  
You've taken everything  
From my belief in motherhood  
Can you ignore my faith in everything  
'Cos I know what faith is  
And what it's worth  
Oh away away  
And don't say baby you tried

Come up and see me  
Make me Smile  
Do what you want  
Run on wild

Oooh ohh la la ooh ooh la la

Come up and see me  
Make me smile  
I'll do what you want  
Run on wild

Ooh ooh la la ooh ooh la la ooh
