

Suziquatro, Mind Demons

(Quatro/Tuckey)

I couldn't sleep last night
Too much emptiness
It made me so uptight
I needed your caress
Whoo-
You were across the hall
And I was too proud to call
Instead I fantasized
I guess that wasn't wise
Whoo - Mind Demons
Whoo - In my brain
Whoo - Mind Demons
Whoo - Drivin' me crazy
I turned on the light
Another sleepless night
I grabbed a magazine
You know the kind I mean
Whoo - Mind Demons
Whoo - In my brain
Whoo - Mind Demons
Whoo - Drivin' me crazy
