

# Suziquattro, New Day Woman

(Quattro/Tuckey)

I'm a new day woman  
Ha Ha Ha Ha Ha

I got a feeling like I just want to get away  
I can't stand this masquerade for one more day  
My heart is aching just beginning to understand  
Am I in love now

I used to be what you call the other kind  
I had no direction they said I had a strange, strange mind  
I got new found freedom you know it can't be my rock 'n' roll  
C'mon and join me now  
Ha Ha Ha Ha Ha

I'm a new day woman  
Ha Ha Ha Ha Ha  
I'm a new day woman  
Ha Ha Ha Ha Ha  
Yes a new day woman
