

# Suziquatro, Skin Tight Skin

(Quatro/Tuckey)

[Chorus:]

Skin tight skin, hair dyed and walks like a rainbow  
Where she goes the Joe knows her middle name  
High heels, click, clack  
Hey are you walkin' or stalkin'?

[Chorus]

Because people are talkin'  
Don't you believe it  
Don't you believe it ah  
Lipstick skin per plastic made-to-measure warm  
Chip shop, milk bar pickup number one off the wall  
High-time, play-time, even daytime, find time to sleep some

[Chorus]
