

Suziquatro, Trouble

(Leiber-Stoller)

If you're looking for trouble, boy, you've come to the right place
If you're looking for trouble just look right in my face
I was born standing up and talking back
My daddy was a green-eyed mountain, Jack
'Cause I'm evil
Misery is my middle name
Well, I'm evil
So don't you mess around with me

I never look for trouble, but I never ran
And I don't take no orders from no kind of man
I'm only made out of flesh blood and bone
But if you gonna start a rumble don't you try it all alone
'Cause I'm evil
Misery is my middle name
Well, I'm evil
So don't you mess around with me
