

Suziquatro, Two Miles Out Of Georgia

(Andrews)

When I left this morning
You were softly sleeping
I didn't want to wake you
I just wanted to kiss you
My mixed emotions
Words left unspoken
Stopped me from knowing
Just what I should do
Breaking up's the only way I have to go

And I'm just two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
And I
I'm missing you so

There's been some talking
Tried not to listen
I kept on hoping
That they were lying
Said you'd been cheating
Did not believe it
But when I asked you
You didn't deny it

And I'm just two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
And I
I'm missing you so

I thought our love was something special
Something to rely on
A reason to believe

And I'm just two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
And I
I'm missing you so

Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
Two miles out of Georgia
