

# Svala, Falling

(Why did you have to...)

Why did you have to say  
It's magic when I smile (oh yeah)  
Why did you have to tell me  
Mmmhh you like my style  
Why did you have to say  
Stars are in my eyes (oh yeah, oh)  
Why did you have to be  
Have to be so doggone nice

I won't forgive the way you smile

Cause I just can't stop from falling  
And I don't want to fall tonight  
No I just can't stop from falling  
So boy we'd better do it right  
Cause I don't want to fall tonight

Why did you have to say  
You never ever felt that much (oh yeah)  
Too irresistible too beautiful  
I got to touch  
Why did you have to say  
Heaven's in my eyes (oh yeah, oh)  
Why did you have to be  
Have to be so doggone nice

I won't forgive the way you smile

Cause I just can't stop from falling  
And I don't want to fall tonight  
No I just can't stop from falling  
So boy we'd better do it right  
Cause I don't want to fall tonight

Oh oh  
Tonight  
Yeah  
Oh  
Tonight

I've been hurt by love before  
And I promised myself to cry no more  
But here you are and here I go again

I just can't stop from falling  
And I don't want to fall tonight  
No I just can't stop from falling  
So boy we'd better do it right  
Cause I don't want to fall tonight

Oh oh  
Tonight  
Yeah  
Oh

Can't stop falling  
Falling for you  
Can't stop falling baby  
Falling for you

...
