

Svala, Wonder Of My World

If I lost you
If you only knew
That I would miss you
Like the stars above
If you needed me
You know I'll be right here
'Cause you can count on me
Like the air you breathe
Just keep holding on
You are the
Wonder of my world
I'm somehow lost for words
You are the the life
Within my veins
My love for you remains
In my heart
You are my world
You are my world

When I think of you
Everything
We've been through
There's so much to see
Don't give up on me
Just keep holding on

You are the
Wonder of my world
I'm somehow lost for words
You are the the life
Within my veins
My love for you remains
In my heart
You are my world
You are my world

Never thought
We'd come this far
You know there's
A place for us
All this time
I've seen you you try
So just keep holding on

'Cause you are the
Wonder of my world
I'm somehow lost for words
You are the the life
Within my veins
My love for you remains
In my heart
You are my world
You are my world
