

# SVRCINA, All I Wanna Do

Catch me when I fall  
Answer when I call  
Love me scars and all  
Yeah, that's what you do  
Yeah, that's what you do, eh

Won't lie, I'm scared  
There's no safety net under our feet  
We might learn the hard way  
But I don't wanna overthink

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

(All I wanna do)  
(All I wanna do)  
Oh no  
(All I wanna do)  
Is love you

Stay cool when you're angry  
Love you when you're crazy  
Call you just to, baby  
Yeah, that's what you do  
Yeah, that's what you do, eh

I know, you're scared  
There's no safety net under our feet  
We might learn the hard way  
But I don't wanna overthink, no no

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

Comes out I just think too much  
But I just wanna fall in love  
All I wanna do, all I wanna do, all I wanna do  
Is love you  
I can't hide it just because  
It's so simple when it's us  
All I wanna do, all I wanna do, all I wanna do, baby  
Is love you  
Is love you

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do baby)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

All I wanna do (All I wanna do)

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)

All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
All I wanna do (All I wanna do)  
Is love you (Is love you)
