

SVRCINA, Catch the Light

I can almost taste it
Beautifully contagious
Feel my heartbeat racing / racing

Stepping in the cadence
Of the lover's language
All the rest is fading

CHORUS

I wanna catch the light
Let it burn all night
Feel it in my soul
I wanna catch the light
Gonna hold it tight
And I won't let go

Won't let go / OOH OOH OOH
Won't let go / OOH OOH OOH
Won't let go / OOH OOH OOH
OOH OOH OOH
OOH OOH OOH

VERSE

See it in the distance
Closer every second
Gotta keep on moving / moving

Running, I'm running, I'm running I'm not giving up
Fight to the finish, I'm doing it no matter what / OH
