

# SVRCINA, Insecure

So, you're comfortable with gambling it all  
Have you lost a thing by letting me go?  
Ran the risk like we're replaceable  
Eyes are open as your true colors show

I had so much love in me for you left  
But you chose to run instead of care  
Now you wanna pick up right where we were lost  
But I won't  
Won't be there  
No

Don't try to come back as before  
No, I'm not playing games this immature Darlin'  
Don't try to come back here for more  
No, I'm just not that insecure

I'm not that insecure  
I'm not that insecure  
I'm confidently sure  
I'm not that insecure

Are you hoping I'll be chasing you down?  
Thinkin' I'd be jealous for you by now  
You don't seem to realize what you do  
When you seek my heart, you tear it in two

Oh, I had so much love in me for you left  
But you chose to run instead of care  
Now you wanna pick up right where we were lost  
But I won't  
I won't be there  
No

Don't try to come back as before  
No, I'm not playing games this immature Darlin'  
Don't try to come back here for more  
No, I'm just not that insecure

I'm not that insecure  
I'm not that insecure  
I'm confidently sure  
I'm not that insecure

I've taken my time  
I've taken my time  
I'm drawing a line  
I'm drawing a line  
I've taken my time  
I've taken my time  
Now I've just got to be moving on  
Oh oh oh

I'm not that insecure  
I'm not that insecure  
I'm confidently sure  
I'm not that insecure
