

Swan Lee, Bring Me Back

Listen
Now listen to the wind
Whispering again

It's calling
And something deep within
Starts awakening

The road may be rocky
And times can be hard
But the days are getting longer
And there's sunshine in my heart

I'm hoping for another day for me and you

I'm waiting
I'm waiting for the rain
To make this garden bloom

I'm learning
To wait another day
Before I say it's doomed

Cause I've met the devil
And he's not that bad
And I've been to heaven
And that seemed kinda mad

I'm hoping for another day for me and you

Cause when the sun don't shine
I don't mind
I couldn't change it if I wanted to
And if the wind won't blow
Heaven knows
I couldn't change it if I wanted to

Glory
Glory for the blessed day
That brings me back to you

Cause when the sun don't shine
I don't mind
I couldn't change it if I wanted to
And if the wind won't blow
Heaven knows
I couldn't change it if I wanted to
