Swan Lee, Bring Me Back

Listen Now listen to the wind Whispering again

It's calling And something deep within Starts awakening

The road may be rocky And times can be hard But the days are getting longer And there's sunshine in my heart

I'm hoping for another day for me and you

I'm waiting I'm waiting for the rain To make this garden bloom

I'm learning To wait another day Before I say it's doomed

Cause I've met the devil And he's not that bad And I've been to heaven And that seemed kinda mad

I'm hoping for another day for me and you

Cause when the sun don't shine I don't mind I couldn't change it if I wanted to And if the wind won't blow Heaven knows I couldn't change it if I wanted to

Glory Glory for the blessed day That brings me back to you

Cause when the sun don't shine I don't mind I couldn't change it if I wanted to And if the wind won't blow Heaven knows I couldn't change it if I wanted to
