

Swan Lee, Find My Way Home

The road ahead of me
I'll walk it carefully
And though I often roam
I will find my way home

Now past is knocking on my door
Like so many times before
And though it really hurts me
I will find my way home

This heart is forever at stake
Whereever I go
I know it can easily break
But I'll find my way home

I've been drunk beyond control
I've staggered through the cold
I have woken up alone
But I found my way home

Sometimes I'm not so smart
I'm way too wild at heart
My god the chances I've blown
And then found my way home

This heart is forever at stake
Wherever I go
I know it can easily break
But I'll find my way home
Yeah I'll find my way home

Life has punched me sore
But hey
I'm ready to take some more
The hardship that I've seen
And what was in between
Has made me strong and
Maybe that's the
Beauty of it all

This heart is forever at stake
Wherever I go
I know it can easily break
But I'll find my way home
Yeah this heart is forever at stake
Wherever I go
I don't know how much
More I can take
But I'll find my way home
Yeah I'll find my way home
