

Swan Princess, No Fear (Rap)

Puffin: You're facing a delicate situation
Where your preservation is not assured
Clavius: Let me give you the word, you're not the only one
Who's ever come undone inside
Odette: And you just can't hide the way you feel
'Cause the feelings are real
And you have to deal with that
Derek: But believe me, it's true
There are things you can do
To pull you through so you can say
Speed: No fear
Odette: Gotta say it again
All No fear
Rogers: Say it ten times ten
Clavius: The adrenalin's pumping
Knuckles: Your heart's a-thumping
Odette: Your senses are jumping but you feel
Speed: No fear
All No fear
Odette: No fear
Rogers: First you start with preparation
Cause it's sensational what you can do
Uberta: And when you're prepared
You don't get scared
Now isn't that right, Derek?
Derek: Yes, of course, mother
Knuckles: Then you hone your skill
You work your will
And you practice until it's part of you
Bromley: When you know yourself
What you're capable of
There's just no cause to doubt
What the outcome will be
Rogers: Because your competence breeds confidence
Until all at once you feel, say it
Speed: No fear
Odette: Say it again
All No fear
Rogers: Say it ten times ten
Clavius: The adrenalin's pumping
Knuckles: Your heart's a-thumping
Odette: Your senses are jumping but you feel
Speed: No fear
All No fear
Odette: No fear
Rogers: Absolutely none
Jean-Bob: But there's one more thing
That will conquer the fear
When the danger is near
And that, my friend, is love
Odette: It gives your courage wings
To do a thousand things
That it otherwise couldn't do
Speed: It's true you'll never know
How high you can go
If you hide inside your shell
Puffin: So I'm telling you straight
It's great when you learn to live your life with
Speed: No fear
Odette: Gotta say it again
All No fear
Rogers: Say it ten times ten
Clavius: The adrenalin's pumping
Knuckles: Your heart's a-thumping

Odette: Your senses are jumping but you feel
All No fear
No fear
Rogers: Say it again
Odette: Gotta say it again
Rogers: Say it ten times ten
Clavius: The adrenalin's thumping
Knuckles: Your heart's a-thumping
Odette: Your senses are jumping but you feel
All No fear
No fear
No fear
No fear
