

# Swans, Troll Lullaby

After I Bed With Thee  
Your Soul Shall No Longer Be  
Deep Inside The Hollow Space  
Only I Can Fill It's Ache  
And In Your Newfound Ecstasy  
Thine Eyes Shall Search Mine Pleadingly  
I Am The Light The Way The Dark  
And When You Sleep Thy Demonic Heart  
Dost Take You Down Beneath The Ridge  
To Where Is Found The Silent Bridge  
So Leap Unto The Shame No More  
Come Sleep Among Us Chambered Whores  
And I Will Eat You  
And I Will Eat You  
And I Will Eat You Eat You Eat You
